

## **SUSTAINABLE PROCUREMENT POLICY**

**All information on planned and ongoing procurement is posted on the web portal for public procurement in the Republic of Kazakhstan [goszakup.gov.kz](http://goszakup.gov.kz).**

**All public procurements are carried out in electronic form, in accordance with the legislation of the Republic of Kazakhstan on public procurement, and in compliance with the following principles of public procurement:**

- 1) optimal and efficient spending of money used for public procurement;
- 2) providing potential suppliers with equal opportunities to participate in the public procurement procedure, except for the cases provided for by the Law of the Republic of Kazakhstan "On Public Procurement";
- 3) fair competition among potential suppliers, prevention of collusion between procurement participants;
- 4) openness and transparency of the public procurement process, including compliance with the legal rights of suppliers to trade secrets (before summing up the results of public procurement);
- 5) providing support to domestic producers of goods, as well as domestic suppliers of works and services, to the extent that this does not contradict international treaties ratified by the Republic of Kazakhstan;
- 6) responsibility of participants in public procurement;
- 7) prevention of corruption manifestations;
- 8) acquisition of innovative and high-tech goods, works, services;
- 9) observance of the rights to intellectual property objects contained in the purchased goods.
